

This document gives information on how to navigate through the login process and some of the primary features of the platform.

Logging In

This is what the Log-In page looks like

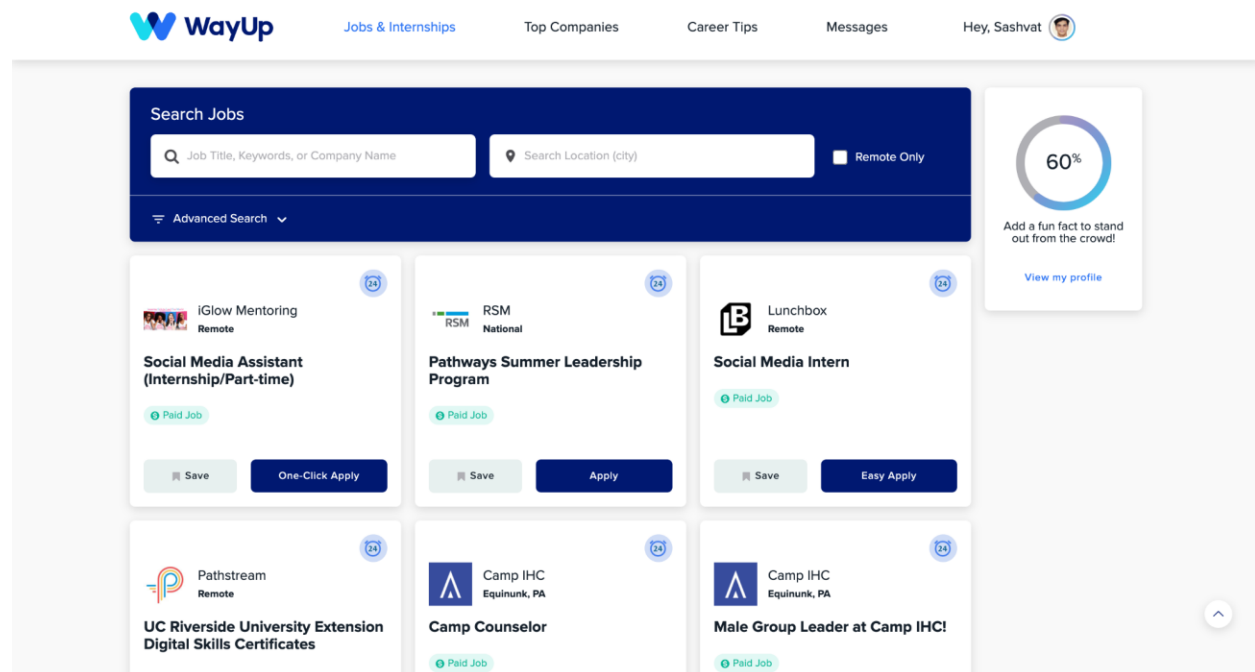

Please be sure to click on the sign up button if this is your first time using the platform or the login feature if you already have an account. Make sure to use your Case email ID when logging in

When signing in, the platform will ask you some basic demographic information such as name, city, college, major, graduation month, city etc. You can also upload your resume to auto-fill some of your work experiences.

At the end of the sign-up process, there is a page that shows different industries and fields within them. Please select the ones that you are interested in as the platform will align jobs/internships according to your preferences.

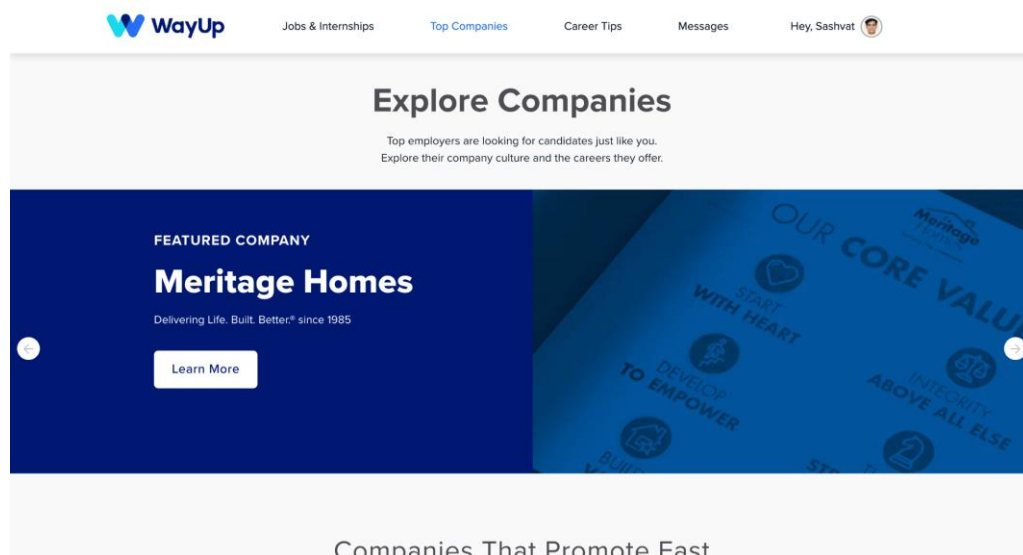

Finding Jobs and Internships

The platform allows you to easily search for jobs and internships in your selected industries. You can also search for specific companies, roles, cities or just filter by industry and position.

Top Companies

The platform has a feature called “Top Companies” that allows you to get a profile on industry leading companies in your preferred industries.

If for example, you click on one of the companies you are interested in this what you will find.

IBM

Information Technology and Services

IBM's greatest invention is the IBMer. IBMers believe that the application of intelligence, reason, and science can improve business, society, and the human condition.

EMPLOYEE TESTIMONIALS

IBM has a strong mentorship culture, and everyone is super helpful. You can even reach out to VPs and schedule 1:1s, which is something you don't see happening at other companies! IBM treats its interns with care, and even during trying times like COVID offered us free housing, doordash vouchers, and more!

— Ayush Khandelwal, Cyber Security Software Engineering Intern, UMass Amherst

SOCIAL MEDIA

The search gives you all sorts of information right from available jobs to company policies and employee testimonials.

Career Advice

The Career Advice section provides all sorts of information on advancing your career and getting a head start on your job applications.

The screenshot displays the WayUp Community website interface. At the top, the WayUp logo is on the left, and navigation links for 'Jobs & Internships', 'Top Companies', 'Career Tips', 'Messages', and a user profile 'Hey, Sashvat' are on the right. Below this is a secondary navigation bar with 'WayUp Community' and links for 'CAREER HACKS', 'JOB SEARCH', 'COLLEGE LIFE', 'DAY IN THE LIFE', 'GUIDES', and 'FOR EMPLOYERS'. A search bar is located on the right of this bar. The main content area features a heading 'LOOKING FOR A JOB? THESE TIPS WILL GET YOU HIRED:'. Below this heading are three article cards. The first card, titled 'How To Ace The Interview At One of The World's Largest Global Brands', is sponsored by L'Oréal and includes a 'READ MORE' button. The second card, titled 'Propel Your Education at One of America's Most Innovative and Creative Tech Companies', is sponsored by AeroVironment and includes a 'READ MORE' button. The third card, titled 'Introducing WayUp's Top Intern of 2021 - Maria Sitkovets', is sponsored by WayUp and includes a 'READ MORE' button. Below these cards are three smaller image thumbnails: the first shows two women in an office setting, the second shows a white drone flying over a green field, and the third shows three women smiling in a social setting. A URL 'https://www.wayup.com/guide/community/79690-top-intern-2021/' is visible at the bottom left of the first thumbnail.

There are various sections which deal with job search methods, navigating and gaining experiences through college life, a day in the life of various positions, resume/cover letters etc.

It also has articles and suggestions collated from top companies such as IBM, L'Oreal, KPMG, Verizon, CitizenBank etc.

Other Information

You can also use the platform to directly send and receive messages from hiring managers as well save job profiles that you might be interested in in the future.
